## PART.202

Big Snowfall and  
Year-End Cleanup ☆ ☆

《Do you do a Year-End Cleanup?》

No... 51%      Yes... 44%

A Year-End Cleanup is too bothersome for many Japanese.  
Speaking of which, the chores that Japanese wives want their  
husbands to do are...

1st place: Cleaning the bathroom

2nd place: Taking out the trash

3rd place: Washing the dishes

It's mostly about doing the cleaning up.

At  
the  
end  
of  
the  
year  
—

...there is a  
heavy  
snowfall.

WOW,  
FANTASTIC!

LET'S GO OUT AND HAVE FUN!

RIGHT!

I'VE NEVER SEEN SO MUCH SNOW BEFORE!

The big Year-End Cleanup is a Japanese custom.

NO! TODAY WE'RE DOING OUR **BIG YEAR-END CLEANUP.**

LATER!

Acting like a kid

I WANNA BUILD A SHOWMAN AND HAVE A SNOWBALL FIGHT!!

HERE, WOULD YOU CLEAN THE WINDOWS, PLEASE?

SEHHH?

LATER!!

As if that'd work.

OR LET'S HAVE SEX...

## How do husbands clean?

90% of Japanese husbands help with the household. Cleaning, washing the car and taking out the trash are the three most common tasks. Men also often clean the bathroom. Wives wish their husbands would clean the air conditioner and are unsatisfied with the way men clean, because they 'miss the corners and edges' and simply don't clean 'often enough'.

AAH!!  
COLD  
HANDS!

LET'S DO  
IT RIGHT  
HERE!

THAT WAS  
TOTALLY  
EXCITING...

THAT  
MEANS  
...

Makoto-  
san!

Sex in the  
snow!

AAH!!

She's only  
wearing  
gloves...

COLD ON  
THE  
OUTSIDE,  
WARM ON  
THE INSIDE!

AAH! HE'S  
FANTASIZING  
AGAIN!

NO, EVEN  
I CAN'T  
BELIEVE  
THAT WOULD  
HAPPEN...

Women, whose bodies are well provided with female hormones, have more fatty tissue under their skin. Because fat is a bad heat conductor, their hands get cold. Does that mean one can assume that voluptuous women have colder hands? Well, if you take into account that women with low blood pressure also have cold hands, it's a pointless debate...

In Japanese  
brothels, this  
position is  
called the  
'Periscope'.

In this position the man can use his muscle power to move his hips easily and freely.
